Entrepreneurial Skill Development Programme: Winter Fall Fashion Week Competition 2019 (Entrepreneurship)

Objective:-

• To develop creativity & skills in the world of Fashion through Entrepreneur Development Program.

The Post Graduate Department of SSM College Dinanagar organized the Winter Fall Fashion Week Contest for the students. The competition was organized on 29-03-2019. The day was commenced by lightening the flame by worthy Chief Guest Hardeep Kaur(Department of Fashion Craft). Prof. PoojaKansra, Prof. SalwinderKaur, Prof. PriyankaSaini were presented there as a jury member. There were five rounds in this competition like sari, lehnga, ground round, indo western round and innovative round. The aim of this competition was to represent he various westerns outfits; western dressing in winters as well as Indian ethnic wears. Students show great enthusiasm. The participants were well dressed and they showed up their dresses on the ramp. After the ramp walk the winners were announced, Savita got first position in sari round, Falguni got first position in lehnga round, Harmanpreet Kaur got first position in ground round, Bharti Gill bagged first position in innovative round and NeeruBala got first position in indo western round. Apart from this Falgauni was also awarded as Best Designer, Divya was awarded for her attractive face, Diksha was awarded for best modeling, Ishika got award for her excellent confidence. After award ceremony Principal Dr. R.K. Tuli appreciated the students for their participation and staff members for organizing such a great competition. He said that these types of events are very important for student to improve their skills. He further told that the department should organize such events in every academic year so that students get participated and motivated .He congratulated the staff for the success of the event. During this competition

Asst. Prof. SumitaBhalla, Asst. Prof. AmandeepKaur, Asst.Prof. Rozy Bala, Asst. Prof. Subir Ragbotra were present.

Outcome:-

• It taught the students practical skills such as sketching, pattern-making and sewing.
