## **Webinar on ‘Role of Best Practices for Sustaining Quality in Higher Educational Institutions’ (Research Methodology)**

### **Objectives:**

- To understand and adapt best practices for adding commendable value to an institution.
- To take up qualitative initiatives for self-improvement

### **Resource Person:**

- **Krishan Kant** (Principal, Aggrawal PG College, Ballabhgarh, Faridabad)

Acquisition of quality and excellence is the great challenge faced by all Higher Educational Institutions. Best practices are the practices which add commendable value to an institution and its values to various stake holders are considered as reliable bench mark or standard of quality. It is followed in different areas of institutional performance and the NAAC is advocating the best practices bench marking methodology for quality improvement in Higher Education Institution. The best practices as bench marks help institutions to find their selves improvement. By keeping in mind the significance of this topic, the webinar on “**Qualitative initiatives and Best practices in Higher Education Institutions**” was organized at Swami Swatantranand Memorial College, Dinanagar, under the supervision of Principal Dr. R.K.Tuli. The webinar was sponsored by International quality assurance cell (IQAC). Participants witnessed deliberation by Principal Dr. R.K.Tuli, SSM College Dinanagar, Principal Krishan Kant, Asst. Prof. Monika, Asst. Prof. Rajat Mahajan, and Asst. Prof. Vishal. Principal Dr. R.K.Tuli gave an overview of the need to bring quality management strategies in all.

Principal Kishan Kant enlightened the participants by saying that the sole purpose of this talk is to sensitize the various stake holders, the leaders, the teachers, the students, the parents about the best practices and when we discuss we can help the institutions of higher learning to replicate and learn from the best practices, predominant in other institutes. When we talk about a best practice it is a question of implementation of best practices. The most important thing is that are we really able to identify to those best practices? And once the system is developed then are we really implementing all those best practices for the benefits of our students and on a larger context, for the benefits of our society and the nation?”

After that he highlighted the various strategies through which an institute can enhance its quality. He added that, “There is no fixed time to flinch a good practice! Think, Develop, Adapt, and sustain the best practices silently so that the success and outcomes speak, and roar very loudly!

In nutshell, the session was ended with lots of queries asked by the participants. And the Resource Person answered all the questions enthusiastically.

### **Outcomes:-**

- Stronger Institutional Reputation.
- Higher Quality Education.

## Best Practices

### Energy Environment Consciousness: Carbon Neutrality Initiatives

- Energy Audit and Green Audit ([Received Green Award](#))
- ISO 9001:2015 and ISO 14001:2015 certification
- Grid Connected Roof Top Solar Panel system for electricity (160 kW)
- Environmental Studies- a part of the curriculum
- Electronic medium for notices to promote paperless working of the office
- Students and the staff members encouraged to use bicycles as mode of transportation and honoured with [Green Award](#)
- The entire campus is 'No Smoking Zone'
- N-Computing is also resorted to as it consumes less energy and encourages green
