National Webinar on “Quality Research Paper Writing and Academic Publishing”

(Research Methodology)

Objective:

- To promote research ethics among students for quality research paper writing and academic publishing.

Resource Person:

- **Dr. Amanpreet Kaur** (Assistant Professor, Punjab School of Economics, GNDU, Amritsar)

The P.G. Department of Economics of **Swami Swatantranand Memorial College, Dinanagar** organized a National Webinar on theme of ‘**Quality Research Paper writing and Academic publishing**’ on 30th December, 2021. The aim of the webinar was to provide knowledge regarding effective and quality research paper writing. The webinar was directed on zoom platform. Dr. Amanpreet Kaur was the keynote speaker and Resource person. In inaugural speech Hon’ble Principal Dr. R.K Tuli welcomed and thanked the Resource Person for enhancing the grace of the event by being a part of it and also thanked all the participants for joining. He further addressed that Research is the process of discovering something new and testing its truth. It serves as a harbor of innovative ideas that significantly enlightened and propel the country forward economically, socially, culturally and technologically. The aim of the quality education is to develop creative research capacity which is the need of the hour. Today’s webinar was an opportunity for young scholars to enhance their expertise and skill required to write research paper.

Dr. Amanpreet Kaur, delivered lecture by sharing a power point presentation on the ‘**Research Paper Writing and Academic publishing**’ to imbibe research skills in the participants. For early-career researchers, it is vital to have an in-depth understanding of the academic writing and publishing processes from the very beginning of their research career to avoid any pitfalls later. She started by explaining the exact meaning of the term ‘Research’. She explained that research covers three things (a) **Methodology** (b) **Systematic Manner** (c) **Generate Knowledge** so that we can have the understanding of a particular topic. She also talked about the mistakes in writing papers such as plagiarism. She described the UGC defined rules of writing papers, paraphrasing, UGC CARE list and penalties for plagiarized writing. Thus she explained every aspect of

research paper writing, publishing paper, journal impact, mistakes in writing etc. in a detailed manner. Asst. Prof. Parbodh Grover as convener of the Webinar expressed gratitude to Dr. Amanpreet Kaur, Hon'ble Principal Dr. R.K. Tuli, and all the participants.

Outcome:-

- Career Advancement.

This screenshot shows the second slide of the PowerPoint presentation. The slide has a white background with a dark blue header bar. The title 'Styles of writing a research paper' is centered in the header bar. Below the header, there is a list of five styles of writing a research paper, each preceded by a red arrow. The styles are: Analytical, Argumentative, Compare and Contrast, Cause and Effect, and Report. The slide is part of a 32-slide presentation, as indicated by the 'Slide 2 of 32' text at the bottom left. The Zoom interface is visible, showing the presenter's video feed in the top right corner and the Zoom logo in the bottom right corner.

Styles of writing a research paper

- ▶ **Analytical:** it aims at exploration of a issue by collection of data and analyzing it.
- ▶ **Argumentative:** the author introduces two opposite points of view and argues them.
- ▶ **Compare and Contrast:** it deals with comparison of two elements in the same category.
- ▶ **Cause and Effect:** it is used mostly in fields of history and medicine.
- ▶ **Report:** it aims at providing a detailed description of a particular item.
