One Day Workshop on 'Advanced 'Dyeing and Printing Techniques'

16th April, 2022

Organized by:

P.G. Department of Fashion Designing

One Day Workshop on Advanced 'Dyeing and Printing Techniques' (Entrepreneurship)

Objectives:-

- To enhance the skills of students in various printing and dyeing techniques.
- To raise their awareness about importance of traditional crafts of India.

Resource Person:

- **Mr. Ashwani Khosla**

Department of Fashion Designing of SSM College Dinanagar organized a One-Day Skill Based Workshop on 'Advanced Dyeing and Printing Techniques' on **16 April 2022**. Through this event, Asst. Professor Nidhi and Asst. Professor Vishali made the students aware about various techniques of dyeing and printing.

The workshop included both natural and chemical techniques of dyeing and printing. The techniques included Tie and Dye, Vat Dye, and Naphthol Dye process and natural dyeing with Natural sources around. The entire process was lucid to understand.

The workshop not only inspired many students to enhance skills but also made them aware about the importance of such traditional crafts of India. The main objective of organizing this workshop was to revive the lost art of dyeing with natural ingredients and to make it readily available for everyone.
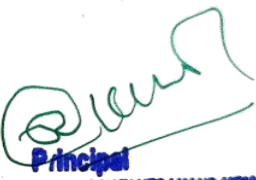

As these techniques are not much familiar among students, it was a great opportunity for them to understand and experience the essence of dyeing and printing through this workshop.

Outcomes:-

- Students got to know different printing and dyeing techniques other than the conventional
- Got to know about dyeing properties of different fabrics.
