

# **Institutional Distinctiveness**

## **Skill Based Education**

### **Session: 2018-19**

The Distinctiveness of the institution lies in its best ability to impart **Skill Based Education** for the upliftment of rural area. The nation in general and the state in particular, is marred with the problem of unemployment among educated youth. Therefore, the need for “Skill Based System of Education” has become the need of the hour. A number of initiatives have been taken by the institution to enhance placement opportunities for the students. The college has **introduced 21 Certificate/ Add On/Value Added Courses for skill training of the students in diverse areas.** Students are highly motivated to take these courses. **The college also started four B.Voc Courses and three Diploma Courses to impart vocational education to students and to enable them to generate income by opting these courses.** These courses are introduced keeping in mind the needs and demands of the global changing scenario. The courses are designed by keeping in view the expectations of the industry. The College trains students in relevant skills for immediate employment. **The Career and Guidance Cell of the college** organizes many programmes to hone the employability skills of the students **with the result that 94 students have been placed under the Guidance of the Cell and approximately 100 students have qualified various competitive exams.** This is a big step towards

elimination of the problem of educated unemployed youth in the area. **The Placement Cell of the college** organizes placement drives to give students a better opportunity for jobs across the country. The college runs a **Competitive Exam Centre** to train students for various competitive exams like **NET, CSIR, GATE, IELTS, CTET, PSTET, Banking and other exams.** **The Incubation Cell** at the college aims to nurture students in a way that they can survive in this competitive and ever-changing commercial world. It aims at developing employability among the youth .A number of activities were conducted in this year to hone various job oriented skills among students. The college has a **Language Lab** with updated software to polish the Communication Skills of the students. The good communication skill is a prerequisite to get a job. The focus is on the preparation for job interviews and personality development of the students. **A good range of activities are planned to enhance the job oriented skills of the students by organizing 45 days Training Programme on “Tally Software” from 11 February 2019 to 27 March2019 .**The Course has been organized to give practical knowledge to the students. **The quality MOUs with 12 Reputed Industries and Organizations have been signed this year to give students better exposure for trainings, internships, industrial visits etc.** The college adopts various quality measures to develop job oriented skills among students and to make them valuable assets for the society and nation.
