## Policy Document on Disabled Friendly Environment

## **Disabled Friendly Environment Policy**

The Institute encourages and plans to promote equal rights and access to education for all people who are differently challenged and impoverished. No one is disabled, in our opinion, only their means of achieving their objectives are different. We create an environment that is welcoming to individuals who are differently able. Our goal is to specifically empower people who have physical disabilities. We offer necessary guidance and counselling to people with disabilities, and help people them to find successful employment in both the public and private sectors.

### **Objectives:**

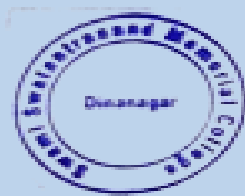

- To promote a thorough and inclusive teaching and learning environment.
- To ensure all administrative and academic processes quite simple for their easy access.
- To ensure their participation in all college activities without difficulty.

### **Our Policy:**

- To foster an inclusive culture to prevent exclusion of disable students, faculty, and staff from all areas of employment and education.
- The College has developed a non-discriminatory admissions policy in accordance with the Persons with Disabilities (Equal

Opportunities, Protection of Rights and Full Participation) Act of 1995.

- Students with impairments are judged for admission using fair standards and criteria. Disability-related information pertaining to staff members and students shall be kept private.
- College administration examine the specific study needs and work hard to meet the requirements to best extent, however students with disabilities may request any special requirements at the time of admission via their application form.
- The College does not treat students with disabilities differently from other students by limiting their eligibility for financial aid or offering them less support overall.
- The College makes all efforts to make the curriculum, teaching methodologies and examination methodologies accessible to the physically challenged.
- Safe, gender-sensitive, accessible and functional washroom services are provided to disabled.
- The college has created a disabled-friendly environment with infrastructure features like barrier-free environment for students with disabilities, tactile pathways, ramps for easy access to classrooms and other areas.
- The college makes all efforts in making the curriculum, teaching methodologies and examination methodologies accessible to them.
