Quality Policy

SSM is dedicated to holistic development and empowerment by giving students value-oriented, skill-based, and globally competent education. We are committed to the ongoing development and maintenance of its internal systems and processes to support its curricula and service delivery and conducts, periodic reviews to inform continuous improvement, expand its brand, and create values for the students, donors and society. In doing so, we hold ourselves accountable to stakeholders through sound internal self-control mechanisms.

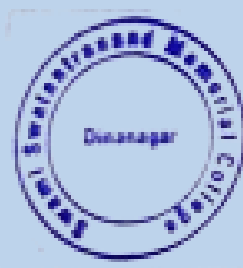

Quality Policy Implementation:

Internal Quality Assurance Cell of the college works like a driving force for achieving excellence in quality parameters in accordance with UGC guidelines to stand by the commitments made by the institution.

Through IQAC We Aim To:

- Provide comprehensive education with a specific focus on aspirants from rural, backward areas, and socially underprivileged sections of society through generous concessions and scholarships.
- Promote the overall development of students by involving them in co-curricular and extra-curricular activities.
- Modernize academic, cultural, and sporting facilities to match international standards.

- Create and implement cutting-edge teaching strategies that make appropriate use of ICT.
- Provide students with a flexible learning environment that offers more options within a structured format. Participation in internships and project work also facilitates exposure to real-world experience.
- Concentrate on the creation of electronic resources and their inclusion in classroom teaching.
- Assist educators and learners in all their endeavours to improve education.
- Encourage the faculty to conduct high-quality research by encouraging them to strengthen their professional skills.
- Promote civic engagement among students through community service.
- Adhere to policies and guidelines to guarantee reliable institutional processes for academic excellence.
- Mobilise resources and ensure their optimal use to raise the institution's general level of excellence.
- Foster an awareness of the environment by getting our students involved in sustainable development initiatives.
