Action Taken Report on Student's Feedback

Session: 2022-2023

Action Taken Report on Student's Feedback

- New Vocational subjects were introduced in Bachelor of Arts.
- Canteen contractor was directed to add healthy food options such as salads, whole grain sandwiches, fresh fruits and low-fat dairy products in canteen menu.
- Various Trainings were arranged by the Placement Cell which also strengthen communication skill and soft skill of the students.
- Students were provided with well-equipped classrooms with better technology and comfortable seating arrangements.
- The housekeeping department was instructed to ensure cleanliness of toilets.
- A new playground was constructed to promote physical activity and increase recreational opportunities.
- All teachers were instructed to remain constant touch with the students for any kind of support related to their subjects by using various media like WhatsApp, Google Classroom etc.
- Newequipment's were purchased for students in the Computer Science, Science, Sports and FashionDesign Department to practice and refine their talents.
- The college organized various study tours and exhibitions for the students to promote innovative learning.
- Additional classes were scheduled to help students for participating in the Youth Welfare Competition to complete their syllabus on time.
- Internships were arranged for students to develop practical skills, workplace experience and better knowledge about the industry.
- More RO systems were installed in the college campus.
